Skills : Figma Adobe (AI, PS, ID, XD, Premiere) HTML, CSS, JS (React), Python, Unity

Ambitious, hard working person looking for an opportunity as a UI/UX designer.

Work experience

- 2020-8 ~ now UI/UX Designer at Brilltek
I've mostly designed on heavy data B2B projects that require consistency and rigorously.
- 2019-7 ~ 2020-8 Kitchen Aide at 張家麵館
Preparation of ingredients, wash dishes, cook soup.
- 2018-8 ~ 2019-7 Video Editor, Poster and Logo Designer, Private English Tutor
A variety of small jobs and opportunities I took with no professional purposes.
- 2018-3 ~ 2018-5 PHP Back-end Developer Intern at Nomads Agency
Developing and designing the architecture of the database, securing server-client queries and handling the modifications from the customer.
- 2017-11 ~ 2018-7 Kitchen Aide at McDonald's
Working in a worldwide known fast food chain have taught me how to work fast and under pressure while being rigorous at all time.
- 2017-2 ~ 2017-4 Full stack Developer Intern at Boost communication
Developing a website as an autodidact for the 10 years anniversary of the agency.

Education

- 2019-9 ~ 2023-6 BA Tourism Management (Fine Example Award) at Providence University
- 2018-9 ~ 2019-7 Applied Chinese (Top 3) at Providence University Language Center
- 2016-9 ~ 2018-6 Computer Science at Gaston Berger Professional School
- 2016-9 ~ 2018-6 Graphic Production (High academic record) at Cesar Baggio High School
